### MATERIAL/DESIGN

#### FRONT:

- MDF skeleton structure with 0.8 mm HPL coating, with adjustment gliders
- Counter assembly using screw connectors with positioning (Lamelo)

#### WORKTOPS:

- Made of high-quality 25mm three-ply fine chipboard, which meets E1 standards and is coated with high-pressure melamine resin on both sides, plastic edge 2mm with 3mm radii
- Worktops are attached to the fronts at a height of 720mm (option - height adjustment in 20mm increments between 720mm and 780mm)
- Worktops are supported by:
  - a) series parts 25mm melamine panels (always outer side)
  - b) Circular tube system foot d 60mm powder-coated to ensure free legs (always centre)

#### STORAGE SHELF:

- Attached to the fronts by d = 60 mm chrome-plated spacer tubes
  - a) satinised glass, 12mm thick
  - b) MDF panels, 16mm wide, with HPL coating, shaped (silver or graphite shaping), edge 2mm with 3mm radii (edge colour from the MARO range)

#### COUNTER BASES AND FRONT CORRUGATIONS

- Standard design brushed aluminium

#### CABLING

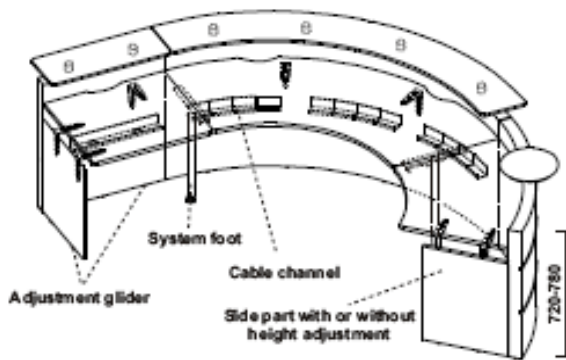

- a) Cable outlets are installed in the table panels and mounting elements as standard.
- b) Counters configuration

#### Patterns and colours:
