LINEA is an executive programme created in wood agglomerate covered and edged with first quality materials in Cherry, Dark Oak and Light Oak coloured wood finish.

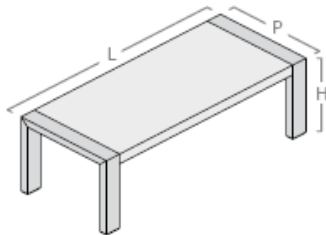

All veneered surfaces are treated with state-of-the-art paints and are in opaque semi-closed pore finish.

The paint aims at exalting and at the same time protecting the veneered parts from the light that might cause colour variations. In addition, the wood, being a natural material, may present chromatic differences that tend to lessen over time.

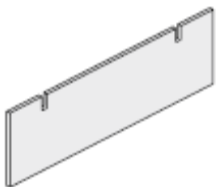

These differences cannot constitute a reason for complaint.

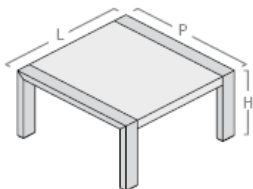

1800mm x 900mm desk @ £1284.00
